# Log-In – Voting Instruction Sample

## Where to find your shareholder number?

As a registered shareholder, you have the possibility to transmit your instructions remotely, using the Atos Vote application, as well as to ask your questions live during the broadcasting of the General Meeting on the Internet, using a unique identifier required if your email address is not recognized by Atos Vote: this shareholder number, specific to this General Meeting, appears on the voting form attached to your invitation to the General Meeting received by mail. If you received the convening notice by email (e-notice), the shareholder number was provided by Société Générale Securities Services by email.

The image shows a sample of an Atos voting form. A circular callout highlights a specific section of the form titled "CADRE RÉSERVÉ À LA SOCIÉTÉ - FOR COMPANY'S USE ONLY". Inside this callout, the "Identifiant - Account" field is shown with the value "XXXXXX2". An arrow points from this field to the text "Enter the 5 consecutive digit numbers on the Atos Vote log in page, represented here by XXXXX, and located on the voting form in the frame reserved to the Company, next to the line « Identifiant - Account »".
